

# Want to **REJUVENATE** your **NEIGHBORHOOD PARK?**

**Bring your ideas for improving Maxwell Park  
(the park between Fleming and Allendale)  
to a community meeting:**

**WHEN:** Tuesday, April 29<sup>th</sup>, 2008  
7:00 – 8:30 PM

**WHERE:** Maxwell Park School, corner of Monticello and Fleming

The kickoff meeting is being organized by the Blight and Beautification Neighborhood Action Team (B&B NAT), a subgroup of the Maxwell Park Neighborhood Council.

The B&B wants to activate a community-led project that will upgrade, beautify, and increase the safety of our only park, and we need your help to do it.

A number of neighbors, park support groups, as well as District 4 city council member, Jean Quan, are already interested in supporting such an effort.

Please walk through the park before the meeting, so you can make specific suggestions about uses for the park, landscaping, lighting, play equipment, park furniture, etc. We hope to come away from the meeting with the basis for a community survey, and a core group of volunteers

**Questions? Need more information?**  
Contact Nancy Karigaca, [nkarigaca@comcast.net](mailto:nkarigaca@comcast.net), 436-6680

**More fliers are also available for circulation!!**
